

# Accessibility Statement

## Our Commitment

Restoration & Peace is dedicated to ensuring digital accessibility for everyone, including people with disabilities. We are continually improving the user experience for all visitors to our website and app.

## Accessibility Features

- Alt text for images
- Clear headings and simple navigation
- High-contrast fonts and readable layouts
- Mobile-friendly design

## Feedback

If you experience difficulty accessing content on our website or app, please contact us at [tpearson@restorationandpeace.com](mailto:tpearson@restorationandpeace.com). We will work to provide the information you need in an accessible format.

---

Would you like me to:

- **Expand the Privacy Policy** into a **full-length version** (including cookies, data storage, and compliance details)?
- **Format these as separate pages** with SEO-friendly titles and meta descriptions?
- Add **coaching-specific vs. counseling-specific disclaimers** (important since one is covered by HIPAA and the other is not)?
